<p>19. Twelve children were coloring. Two stopped. How many are still coloring?</p>	<p>20. Kevin rode his bike 5 miles. Susie rode her bike 8 miles. How many miles did they bike in all?</p>	

2ND GRADE WRITING SAMPLE

Students should complete the following writing prompt, and add one more sentence to explain their choice in their best handwriting. Students should complete all writing on their own with no assistance from anyone.

My favorite game to play is...
